

Spring Nature Days Information Sheet

Here are some important details for the student's Spring Nature Day adventure.

Parents: Please plan to arrive with your student at the Nature Area Main Gate at the stated time (either 9:00am or 1:45pm). This will allow enough time to check in your student and ensure the program begins promptly 10 minutes later. If you emailed your [permission slip](#) in advance and received an approval, then you are good to go. If not, please bring the signed permission slip along with your student.

Students: Please wear a mask, bring small backpack with a refillable water bottle and snack, agree to maintain a distance of 6 feet from other students, and wear "camping worthy" clothing and shoes (no sandals) that may get wet or dirty. On drizzly days, a hooded jacket is recommended. Heavy rain will cancel the program. Parents will be advised the night before of a cancelled rain-day, and the make-up day plan.

An optional \$35 donation per student, payable via the FWRNA website www.fwrna.org/donate or PayPal (to: FWRNATreasurer@gmail.com), helps the nonprofit Friends of the Wagner Ranch Nature Area cover the costs of teachers and supplies for the day. Any additional tax-deductible donations will be greatly appreciated.

For questions or more information, please contact Brad McCullough: bjcc2mcc@gmail.com.

Lastly, our website has lots of information, photos and videos about the Wagner Ranch Nature Area and our Lead Environmentalist, Toris Jaeger (who will be guiding Nature Day). Please check it out at www.fwrna.org
